Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450REQUEST FOR CORRECTED NOTICE OF ALLOWABILITY

Honorable Sir:

Applicant requests a corrected Notice of Allowability confirming that all certified copies of priority documents have been received. The Notice of Allowability (see attached copy) received by Applicant states that "None" of the certified copies of priority documents have been received.

The file maintained by Applicant's attorney evidences transmittal of a certified copy of the priority document on October 2, 2003 with the application to be filed. Attached is a copy of the Utility Patent Application Transmittal form printed from PAIR showing an accompanying "Certified Copy of Priority Document(s)" indicated by an "X" in the box for item 14. Also attached is a copy of the return postcard showing inclusion of the priority document. Finally, attached is a copy of the "Certificate" cover page from the certified copy of the priority document. A copy of the "Certificate" cover page is in the file according to the standard practice of Applicant's attorney at the time of filing of the application.

The attached evidence supports the conclusion that a certified copy of the priority document was filed with the application on October 2, 2003. Therefore, Applicant requests that a corrected Notice of Allowability confirming that all certified copies of priority documents have been received be issued.

Respectfully submitted,

William J. Clemens, Reg. No. 26,855
